Parent Engagement Corner

Parents,

Students need social studies to make sense of the ever-changing world around them. Subject areas such as history, geography and economics are all areas of social studies that help our students make sense of how people live and the events that shape our lives. Please read this month's newsletter to find tips and websites to help you and your students at home.

As always, please feel free to contact me any time if you need support or information on how to improve your child's academic performance in school. You can reach me at holly.brown@gscs.org.

Estimados padres:

Este es un documento importante de la escuela de su hijo. Si ustedes necesitan que traduzcamos esta información, por favor, llamen a Lisa Bates al 770-229-3710 ext.10327.

Did You Miss...?

In October, we held the **Fall into Learning** Virtual Parent Event. We discussed information on the Every Student Succeeds Act (ESSA), the curriculum and how it supports content and performance standards, English language development standards, the School-Parent Compact, assessments, CCRPI results, school designation statuses, using technology, and harms of copyright piracy. Parents were also given an opportunity to give input on the use of parent engagement funds and staff trainings.

We coordinated with Career, Technical and Agriculture Education (CTAE) to offer resources to families.

If you missed the workshop but would like the information presented, you may contact your child's teacher, watch a short video clip at <http://bit.ly/carverpe>, or contact Holly Brown at holly.brown@gscs.org

Statewide Longitudinal Data System

Parents have access to their children's Statewide Longitudinal Data System (SLDS) data through the SLDS Parent Portal. The SLDS Parent Portal is accessible to parents directly through their district's student information system—that means no additional logins and passwords to remember!

BENEFITS OF THE SLDS PARENT PORTAL

Using Georgia's SLDS Parent Portal helps parents answer the following questions:

- How can I talk to my child about how they are doing in school?
- How is my child doing in math and reading?
- How many school days has my child missed?
- How does my child compare to other students?

HOW TO ACCESS THE GADOE PARENT PORTAL

- Parents can access the Georgia SLDS Parent Portal by logging in to Infinite Campus, then clicking the SLDS Portal button on the Parent Portal landing page.

WHAT'S IN THE SLDS PARENT PORTAL?

- Student attendance history, Lexile scores, assessment scores, standards-aligned online student resources, and more! For more information about the Georgia SLDS Parent Portal, visit this link: https://www.gadoe.org/Technology-Services/SLDS/Documents/SLDS_Parent_Portal_Guide.pdf.

For login information for Infinite Campus, please contact the school at 770-229-3739.

Parent-Teacher Conferences were held to discuss the academic progress of your child, how you can monitor your child's progress and how you can use the compact at home to help meet the school goals. If you have not had a conference and would like one, please contact your child's teacher at 770-229-3739 or email the teacher using firstname.lastname@gscs.org.

SLDS Parent Portal Resources

The Georgia Statewide Longitudinal Data System (SLDS) is a free online tool parents and student can use to access student's historical academic data through the Georgia's SLDS Parent/Student Portal.

Tips for Parents: Homework Purposes of homework

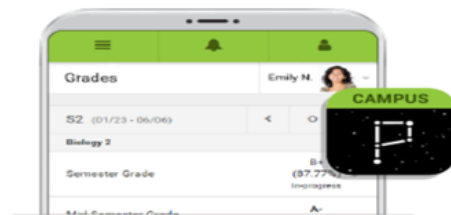

- **Practice.** Assignments are made to increase speed, obtain mastery, or maintain skills. Examples include reviewing multiplication tables, studying spelling words, or practicing poetry.
- **Preparation.** Assignments are made to prepare students for future classroom activities. Students, for example, might be asked to read two chapters on a social studies topic and be prepared to participate in a class debate.
- **Extension.** Assignments are made to extend and enrich a student's classroom learning. Students would be asked to apply knowledge and skills learned during class to related project-like activities.
